

Online Ambition

Are you looking for a job or a better job?
Or applying to college?
Do you have Internet profiles that help?
Or profiles that employers might not like?
Would you like some help to set up attractive, safe public profiles?

Using the internet to find a job - safely and effectively

**Monday 11th April
18:00 -19:30**

**Wester Hailes Library

Tips on effective use of social media for careers development, digital cvs, online profiles.

We're bringing together young people, parents and advisors for an hour or so to look at digital cvs, public profiles for jobs searches and college applications and using social media to get on.

Who should come?

Young people who use the Internet, parents, people looking for a job or a new job, people with FaceBook pages, people setting up LinkedIn pages, online cvs etc

People who have questions or want tips about using the Internet to maximise their job search success.

Who are we?

Some people from Edinburgh Napier University, helped out by people working in recruitment, Internet Safety and Youth Work Online.
